Adhesive tape roll – for own carpet / foil, etc.

Exhibitor's name, stand number:	Selected rug number, color, and size:
Dated:	Authorized signature:

Adhesive Tape Roll – 3,500 HUF + VAT / roll

Roll dimensions: 50 m × 2.5 cm

This is only required if the carpet/floor covering (e.g., foil) is provided and installed by the partner (not by a professional carpeting company).

If an external carpeting company is hired, there is no need to purchase the tape separately.

If the carpet is selected from the catalog, the cost of taping is included in the price, so there is no need to purchase the tape roll separately.

Only double-sided carpet adhesive tape specifically designed for this purpose and fully removable may be used on the hall floor.

Under no circumstances is general-purpose double-sided adhesive tape allowed.

The hall floor is polished concrete, and any damage or contamination is the responsibility of our partners.

If the adhesive tape brought by the partner leaves marks on the floor, their removal is also the partner's responsibility, or the cost of professional removal will be invoiced.
